

RETAIN THIS PACKET FOR YOUR REFERENCE AND RECORDS

Welcome to our Thrift Shop! We want your experience to be enjoyable both as a customer and as a consignor. This packet is provided to explain your consignor agreement with the Davis-Monthan Thrift Shop (DMTS) and assist you in preparing items for consignment.

Davis-Monthan Thrift Shop Purpose

The DMTS is a 501(c)3 non-profit organization. 100% of donation sales and 30% of consignment sales pour back into our local Davis-Monthan and Tucson communities through grants and scholarships to military spouses and dependents. Our partner non-profit, the Davis-Monthan Spouses' Club (DMSC), works to grant these welfare requests and scholarships. Members of the Davis-Monthan community and Davis-Monthan Spouses' Club, who serve as volunteers as a service to you, operate the DMTS. See your impact upon our community by following the DMTS on Facebook at www.facebook.com/DavisMonthanThriftShop or via the DMSC website www.davismonthansc.org.

Consignor Eligibility

Any person, age eighteen (18) or over, with a valid DOD ID may consign items at the Thrift Shop. The DMTS may not be used as a market or an outlet for a part-time business or as a business opportunity. Private sales or trades on DMTS property, to include the parking area, are **prohibited**. Consigning with the DMTS is a choice and a privilege. Consignors who disagree with DMTS policy or decisions may choose to end their consignment agreement at any time. The DMTS may discontinue consignment privileges should a consignor fail to follow policies or DMTS decisions.

Contract Period

1. Items are consigned for six (6) weeks. Exclusion: Seasonal items expire at the close of business the last day of DMTS operation prior to the holiday they pertain to, or the contract expiration date, whichever comes first.
2. When items and a contract are presented, the DMTS Consignment Desk volunteer will write the contract expiration date in the "Expiration Date" section. It is the **consignor's responsibility** to track this date.
3. No contract expires when DMTS is closed. Contract expiration dates will be adjusted to account for closures due to holidays, summer closing, or other events as determined by Management and/or the DMTS Board.
4. a. During the six (6) week contract period, the consignor may donate consigned item(s) to the DMTS and ask for a Tax Donation letter **OR**
b. During the six (6) week contract period, the consignor may reduce the price of items over \$50.00 one time by taking the item from the sales floor to Management at the register. Any other items will be marked down at Management discretion **AND/OR**
c. During the six (6) week contract period, the consignor may reclaim any item PRIOR to the close of business on the expiration date. *Seasonal item exclusion applies. To reclaim an item, it is the **consignor's responsibility** to take their item from the sales floor to the front register and pay the reclaim fee. (\$0.25 per item under \$25.00, \$1.00 per item between \$25.00 and \$49.99, and \$2.00 per item priced \$50.00 and over). Reclaimed items may be re-consigned, one time only, after a three (3) month waiting period. Marked down items are reclaimed at the original price. A consignor will always be able to reclaim an item in person BEFORE it expires if desired. Any special circumstances must be coordinated with the DMTS Manager PRIOR to close of business on the expiration date of the contract. (Ex. Deployment, family emergency, etc.) **OR**
d. Any item left in the DMTS after the contract expiration date becomes the property of the DMTS.
*Seasonal item exclusion applies. The consignor relinquishes all rights, title, and interest to said item(s) which will be marked down as time and volunteer power allows.

Consignor Payments

1. The DMTS will retain 30% of consigned item sales, paying out the remaining 70% to the consignor.
2. Accounts are paid monthly based on consigned item sales within the previous calendar month.
3. The "Daily Consignment Sales" binder is available in the Consignment area, organized by consignor account number, to check items that have been sold.
4. Checks are available the 2nd Tuesday of the month. To pick up checks, the consignor, or their representative noted on their consignment application, must present their DOD ID.
5. Checks can be mailed if a consignor provides a self-addressed, stamped envelope to the DMTS.
6. Unclaimed checks (including those returned by the USPS) will be held for three (3) months or ninety (90) days from issue date and will not be replaced. After this time, the funds shall become property of the DMTS.
7. In the event the DMTS must stop payment on a check to reissue it, the consignor agrees to pay the service charge assessed by the bank.
8. If a DMTS check must be reissued due to proven consignor negligence (i.e. machine washed, torn, or faded) and stop payment is not required, a service fee of \$5.00 will be charged.
9. The DMTS is unable to cash Thrift Shop checks or apply as payment toward purchases.
10. Income taxes remain the responsibility of the consignor.
11. Only basic account information will be provided over the telephone.

Eligible Consignment Items

All items offered for sale are subject to the following conditions:

1. Items are the consignor's own personal property.
2. Items do not appear on the DMTS *Permanent NO TAKE list* (provided in this packet). The *Permanent No Take List* includes items that the DMTS cannot sell for various reasons. (Hygiene, Liability, Safety regulations, Arizona, and Federal laws, etc.)
3. Items do not appear on the DMTS *Temporary NO TAKE list* (found on the DMTS Facebook page, on the business phone recording, and at the Consignment Desk). The *Temporary NO TAKE List* includes items that the DMTS rejects "until further notice". An example would be an overabundance of an item on the sales floor. In this case, as soon as most of the inventory is sold, the DMTS will again accept the item from consignors.
4. All clothing must be clean, pressed, and in very gently used condition or better. Clothing may not have pilling, holes, tears, stains of any kind, discoloration, or unprofessional alterations.
5. All other Items must be clean, in good repair, and working order. There must not be any broken or missing pieces (even if the item is still functional), no stains, rips, or tears, and no dirt or dust. Upon Management discretion, partial items, or partial packaging, may be sold without the full item contents.
6. Business branded items given away as "promotional" may not be sold in the DMTS even if the base item is new and functional.
7. No single use or disposable items may be sold in the DMTS without being new, in-package, and with all items within.
8. Large items (i.e. furniture) and/or any item priced over \$100.00 must be approved by Management prior to consignment.
9. Handmade items are allowed upon Management discretion.
10. All electrical equipment (DVD players, CD players, stereo equipment, gaming systems, office equipment and kitchen appliances) must be consigned as a system and not individual pieces. All power cords and remotes needed for items must be included. All electronics and battery-operated items must be able to be tested and require the consignor to sign a form (provided at the Consignment Desk) to promise the item is operable. Exception: If the item is a known collector's piece, it will be labeled as "non-operational" to indicate to the customer that it is in display condition only.
11. With questions on which items are acceptable, please call the DMTS before bringing in the items.
12. Management has final decision on the acceptance of items for sale, regardless of any posted list of acceptable items. If any unacceptable items are inadvertently consigned, they will be removed from the sales floor by Management as soon as discovered. Items withdrawn from the sales floor are stored at the Consignment Desk for consignor pickup.

Contract Completion

1. The Consignment Processing Fee of \$.50 is paid at the time of consignment. This fee defrays the cost of contract copies, tagging supplies, and data input. Consignors may acquire up to 2 contracts per account, each week, at the DMTS Consignment Desk.
2. Consignors are limited to one (1) contract, with up to ten (10) items, per consignor account per week. On the first Saturday of the month, if DMTS is open, consignors may bring in another contract, with up to ten (10) items.
3. When providing PCS orders, or other proof of permanent relocation, consignors may consign double contracts for up to four (4) weeks with approval of Management.
4. Consignors will receive a copy of their contract within one (1) business day of their consignment.
5. **When completing a contract, the consignor must keep in mind the *Eligible Consignment Items* section. Consignors may not consign more than 5 items in any category or 5 items of clothing (includes Ladies', Men's, Girl's, Boy's, & Shoes combined) nor more than 3 like items per contract.**
